

Cindy Conyers is the Risk Manager/ADA Coordinator for the City of San Marcos. Ms. Conyers' duties and responsibilities include developing and implementing risk, safety and loss prevention programs for her entity as well as coordinating ADA processes for the city. She has been with the City of San Marcos for 14 years. Prior to that, she served as Risk Manager for the Texas School for the Deaf for 3 years and started her career in Risk Management with the City of Plano in 1993. She has her Bachelor of Applied Arts and Science from Texas State University and received her Certified Public Management designation.

Currently, Cindy's professional involvement includes serving on Texas Public Risk Management Association's board and Our Driving Concern board for the National Safety Council.

In 2006, Ms. Conyers received both the Safety Manager of the Year Award from National Safety Council and Risk Management Associate of the Year Award from Texas Public Risk Management Association (PRIMA).
