Dr. Riley Harvill is a co-founder and principal consultant of The HarBeck Company, a coaching/learning firm. He has thirty-one years of consulting experience with municipalities around the country including extensive work with state and federal law enforcement and fire. His areas of specialization include executive staff development, hiring consultation, coaching, team building, mentoring, and harassment prevention. He specializes in the use of assessments for pre-hiring and development coaching.

In the initial part of his career, Dr. Harvill was a tenured professor of counseling psychology at several U.S. universities as well as the University of Hong Kong and the Polish Institute of Computer Technology. He has published four books and numerous journal articles related to improving human relationships and increasing productivity.

In 2016, Riley co-founded LeaderSelect with retired police chief Todd Renshaw. The focus of LeaderSelect is on promotional testing in law enforcement and fire.
